

Frequently Asked Questions

What happens at a Teens 'N Transition presentation?

Our program is led by 2-4 college interns, accompanied by a staff member from PEACE OUTside Campus (POC). Participants will hear personal accounts of incidents from program leaders, learn how to identify high-risk situations, and take steps to avoid becoming a victim of violent crime. The students are encouraged to participate in the discussion and ask questions. At the end of the presentation we will provide information links and hotlines. We will also hand out brochures with safety tips to help students as they navigate the next step in their lives.

What topics are covered in the presentation?

Teens 'N Transition gives students the tools they need to be proactive in safeguarding themselves against crime. Topics discussed include: On Campus Living, Off Campus Living, Personal Safety, Social Life, Hazing, The Influence of Alcohol and Drugs, Sexual Assault, Dating Violence, and Trusting Your Instincts.

What is the length of the presentation?

Ideal time for our presentation is 50 minutes. The presentation can be reformatted for shorter sessions if needed, however some topics may be lost. Depending on time, we would like to leave time for questions. We also ask that students complete an anonymous post-presentation survey to give us feedback to help us improve our program in the future.

What is a Prezi?

The Teens 'N Transition presentation is in Prezi format. Prezi serves as a virtual whiteboard and helps people see, understand, and better remember ideas. This format aims to foster discussion and open dialogue among presenters and students.

What is the cost of a Teens 'N Transition presentation?

Funding for our programs relies solely on the generosity of private donors. A donation based upon your school's student enrollment and number of presentations is greatly appreciated and will ensure our continued success.

What equipment is needed?

We utilize a laptop, projector, projection screen, speakers and microphone (if needed) for each presentation. We can provide any necessary equipment, if not available.

What will POC distribute to students?

POC will distribute brochures filled with safety tips, information links, and hotline numbers. It is our goal to provide all students with the information and tools they need to protect themselves. We also bring wristbands, lanyards, and other POC giveaways for students.

Who are the Teens 'N Transition program leaders?

The Teens 'N Transition presentations are led by college interns. Throughout the year, PEACE OUTside Campus recruits 10-15 college students from area colleges. In years past, our interns have represented Iona College, Manhattanville College, Pace University, Purchase College-SUNY, Sarah Lawrence College, and Westchester Community College.

What is the training process for interns?

Our interns, participate in a 30-hour comprehensive training program from our dedicated staff, board members and experienced professionals. Training focuses on topics discussed in the presentation, legal framework like the Clery Act and Title IX, and public speaking skills. Interns benefit from guest speakers from the Off Campus Housing Director at Iona College, Pace Woman's Justice Center, Student Assistance Services, and Victims Assistance Services. Each intern must present in front of the board and receive their approval before representing PEACE OUTside Campus in front of schools.

Does POC regularly update the program?

Our data and statistics are being updated regularly. POC seeks to improve its Teens 'N Transitions programming by soliciting feedback from our three stakeholders: students, parents, and interns. Post- program surveys, are administered after each presentation. Data is compiled and analyzed with recommendations for improvement, which is then incorporated into subsequent sessions.

How to schedule a presentation?

For more information or to schedule a Teens 'N Transition presentation please contact our office at (914) 347-4411 or email Program Coordinator, Tal Drori at tal@peaceoutsidecampus.org. Please visit our website www.peaceoutsidecampus.org for additional information about our organization.
